

# Melwood's abilIT

BREAKING DOWN BARRIERS | BRINGING SMART BUSINESS SOLUTIONS | BUILDING A MORE INCLUSIVE WORLD

## Applications are Open Year Round for Upcoming abilIT Cohort

abilIT is designed to ensure participants are equipped with both the know-how and soft skills necessary to join and succeed in the information, technology, or cybersecurity fields. Classes are offered M-Th from 9:00am to 4:00pm during each cohort.

### PROGRAM OVERVIEW

In partnership with Cybrary, abilIT leads participants through an intensive 14-week training program consisting of technical training and professional and personal development. By pairing innovative, highly technical training with personalized soft skills instruction, abilIT equips participants with the skills they need to build lifelong careers as competitive technology professionals. Post-instruction, Melwood guides graduates through job search, development, and placement. After completing the course, students will be prepared to sit for IT Fundamentals+, MOS Core Certifications in MS Word and/or Excel, and CompTIA A+, Network+, or Security+ certifications, which can lead to entry-level jobs in IT career fields.

### MINIMUM REQUIREMENTS

People with disabilities with either a high school diploma, GED, or equivalent are eligible for admission. Veterans living with post-traumatic stress or a service-related injury are also encouraged to apply.
